- XML

PROFILE

I'm Rhys, a passionate Software Development with Cyber Security student at the University of Stirling and Forth Valley College. I thrive under pressure, learn quickly, and deliver results efficiently. Skilled in HTML, CSS, JavaScript, Java, PHP, MySQL, Python, and C++, I've earned awards for computing and technical excellence, alongside Microsoft Office Specialist certifications.

EXPERIENCE

● Bakery Operative

From 2023 to PRESENT | Malcolm Allan LTD

Assisted in bakery operations, maintained quality control, and supported production workflows, ensuring timely delivery of baked goods.
